Jesse James a 'Broken Man,' Says Attorney Pal

By Blane Bachelor

Friday April 02, 2010 12:00 PM EDT

Jesse James GSI Media

Jesse James's friend and attorney, Joe Yanny, says the biker mogul is a "broken man" — and that he's still in love with wife Sandra Bullock, despite the scandal surrounding their marriage.

Yanny, who has known James for several years, told the Associated Press that allegations of James's infidelities and the resulting media "feeding frenzy" have ruined his friend's life. James entered a treatment facility this week, but Yanny declined to say what the West Coast Choppers owner is being treated for.

The latest predicament for James, 40, is a citation for vandalism involving a photographer's vehicle near James's Long Beach, Calif., bike shop, CNN reports.

Local detectives reportedly were given a copy of the video that celebrity photographer Ulises Rios captured of the March 25 run-in, which shows James and another man confronting Rios in an SUV parked near James's bike shop. The incident resulted in slashed tires, a dented door and a scratched window on the vehicle, claims attorney Mark Haushalter.

The attorney for James did not respond to CNN's requests for comment, but Rios also was cited for stalking James, said Long Beach Police Sgt. Dina Zapalski.
